

Presentations by headspace Hawthorn

headspace Hawthorn offers schools, universities and sporting clubs the opportunity to host presentations for young people, parents or staff.

Presentations go for 30 minutes (25 minutes for content and 5 minutes for questions). Presentations can be made longer into a workshop with interactive activities if time and number of people attending permits. Workshops usually go for 1 hour.

Presentations by **headspace Hawthorn** are free of charge unless co-facilitation with a psychologist is required. Each presentation is tailored to needs and requirements.

headspace Hawthorn requires at least two weeks' notice prior to the date you'd like us to come.

Please read the topics below and fill out the community engagement request form.

Keeping a healthy headspace

This is the base presentation by headspace Hawthorn. Content includes:

- What is mental health? Defining a mental health problem vs mental illness
