

29TH MAY 2018 RECONCILIATION WALK

Come celebrate the journey

Each year, Council invites local schools and the community to come together for the Queanbeyan Reconciliation Walk to celebrate National Reconciliation Week. The annual Reconciliation Walk is a hugely popular and symbolic event, with community members and more than 1,000 students from schools across the LGA getting together to promote reconciliation, recognise the contribution of Aboriginal people, and highlight the challenges we face to continue to Close the Gap. For information please contact Tina Brown 62856551 or Tina.Brown@qprc.nsw.gov.au
