

How To Adult!

Some of the Hot Topics...

Cha Ching! - Exploring all things to do with money. Saving, tax, super, bank accounts. Hmm, how much \$ am I spending on coffee per week....

The daily grind—Think everything job related, identifying our strengths, writing resumes, cover letters, interview tips and tricks

Home & Hosed—Tell us what you need to know about getting it right at home! Can you wash that stripy pink top with a pile of whites?!

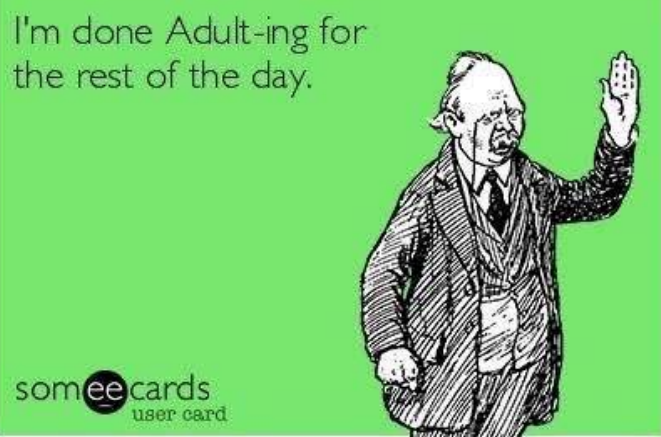

Movin'Out—All the tips and tricks of moving out...gosh, where to even begin?

Get outta here! - What services are available to me? Where can I go for this, that and the rest?! Let's explore the great things you can access within your community!

AND MUCH MORE!

Want to learn the ins and outs of being an adult?

Come and join us on this journey where we will explore the things you want and need to know about launching into adulthood (that you probably didn't learn at school!)

I'm done Adult-ing for the rest of the day.
