TOPICS COVERED WILL INCLUDE:

Young people are more intelligent, informed and aware than any previous generation. To capitalise on this, we can help them to develop the skills necessary to build and express their genius.

- Building concentration and memory power
- Creative problem solving and ingenuity
- Planning and anticipation skills
- Sequencing and listening skills
- Increasing motivation and pleasure in learning
- Building self-esteem and dealing with set backs
- Developing a mindset for success
- Overcoming anxiety and developing confidence
- Making learning fun
